

Dear Student:

Thank you for your interest in Velocity Credit Union's scholarship program. Attached is the application for the 2025 scholarships. Please complete the application, attach all required information and mail the documents to the credit union: **Attn: Scholarships**. The address is located on page three of the scholarship application. The application must be postmarked no later than April 30, 2025. *Unfortunately, no application or supplemental documentation will be accepted after the deadline. No exceptions can be made.*

The 2025 Scholarship program offers three \$5,000 scholarships. Each will be awarded to applicants on the basis of academic performance, financial need and other factors related to school and community involvement. The credit union's scholarship committee will review all applications in May, and winners will be notified in early June. Awards are generally given out later that month, once high school graduation has been confirmed.

The following minimum requirements* have been established to qualify for a scholarship:

- The applicant must be a member in good standing of Velocity Credit Union. The applicant must be the primary owner of a share (savings) account with a balance of \$5.00 or more. The student must have had their own share account for at least six months prior to the application due date of April 30, 2025; parents' accounts are not sufficient to establish membership for the student.
- The applicant must be a graduate of an accredited high school in the greater Austin area during the 2024-2025 academic year.
- The applicant must be accepted by April 1, 2025, for admission as a freshman to an accredited college, university, or equivalent institution for the fall 2025 semester.
- The applicant must show potential for becoming a contributing member of society and have demonstrated positive character traits during his/her academic career.
- The applicant must submit two letters of recommendation from teachers, counselors, or school officials. These may be submitted with the application or separately to the Scholarship Committee before April 30, 2025.

*Requirements subject to change.

Should you have any questions about the scholarship program, the application, or any of the requirements, please contact Jorge Reynoso at 737.237.1531, or 800.933.2029, ext. 1531. We look forward to receiving your application and wish you the best of luck in your academic endeavors.
